Online Vision Board Workshop

MONDAY 20TH JANUARY 2025
10AM-12NOON

Join me at my annual online vision board workshop.

»»»» Book your place now! <<<<

Why should you create a vision board?

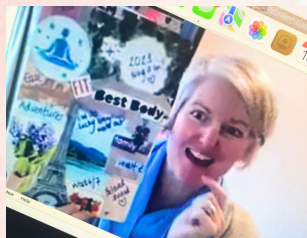

Creating a vision board and regularly looking at your goals and aspirations helps manifest, focus on - and ultimately achieve your goals. All of this is backed up by neuroscience too! Want to find out more? What have you got to lose?

How does it work?

All materials and a goody bag will be posted to you along with a pre-workshop work book to get you started. Then join me online as I hold the space and time for you to conjure up the most amazing year ahead and guide you through each step along the way.

Includes all materials
