

THE ATHENA CHARTER

A WORD FROM OUR FOUNDER

I'm so glad you are considering membership of The Athena Network and what a time to become a member. Included in our membership is PASS+ which means that you have membership of an exclusive group and you have the opportunity to virtually visit ALL the groups in our network as long as you are not professionally locked out.

When I first discovered networking and committed to learning the strategies, it was like taking off a blindfold - a whole new world of opportunity opened up for me as I suddenly began to realise what I'd been missing.

So, I appreciate what you're feeling at this moment ... and I know what lies ahead for you, as you discover how powerful the connections you can make are.

As a member of The Athena Network, I know you'll soon see major changes in the way you look at business and even life. You're going to start to see opportunities almost everywhere you look.

Finally, I know it's a big leap of faith to make a commitment to an annual membership. I can assure you if you follow "The Athena Way" you will experience so much pleasure, connection and profit from your membership.

You're following in the path of thousands of successful businesswomen. Welcome to the family!

THE ATHENA CHARTER

Our intention is to keep 'rules' to the minimum and enable you to make an informed decision about membership with us. The Athena Charter serves as a basic guideline for the terms of membership.

Your Membership Decision

Once you've completed your Application Form to join The Athena Network, we want to give you the opportunity to ensure you have made the right decision. There is a 14 day 'cooling off' period which means that if you change your mind within that time, we will refund your membership fee, less any administration costs.

Annual Membership Fee

When you join The Athena Network you are committing to a 12-month membership. Membership is only £585 per annum. We can provide a payment plan for a nominal fee. Please speak to your Regional Director for details. The latter option can assist with your cash flow.

Member Attendance At Meetings

To get the most out of your Athena membership, you are expected to attend ALL of your group meetings. Before submitting your membership application we ask that you are confident that you can honour this commitment. By attending regularly, we can learn more about you and how we can help you to develop your business.

When you cannot attend you let your Regional Director know and arrange for a Hot Seat. This is to be someone new to Athena.

Inviting a Hot Seat means that your business will still be presented at the meeting, and it also means that the rest of the members have the opportunity to network with a new contact.

For members who miss two meetings in a year, we reserve the right to open up your category to another lady who is able to make the commitment to attend all of the Athena meetings.

You will display your name and the profession you registered within Zoom to support all other members and help them to remember you

Visiting Other Athena Groups

One of the benefits of membership is PASS+. This is your FREE pass to visit ANY group within The Athena Network where your profession is not covered. If you would like to attend another group's meeting, you will complete a PASS+ form and the Regional Director will send you the meeting login details.

When you attend another group meeting with PASS+ you use the profession that you submit on your Application Form.

Attendance at another group meeting assumes that it is not on the same day as your own group meeting.

Athena Terms and Conditions

Note that we reserve the right to make changes to our networking model. For the most current Terms and Conditions of membership with Athena please refer to our website;
